Treasurer: Maria Walsh

Please remember all guests must be signed in at the clubhouse and \$2.00 per guest per visit must be deposited into the wall safe above the sign in binder. Additionally - if you are shooting trap and/or skeet and there is not a functioning card reader on your field you must deposit \$2.00 for each round shot into that clubhouse wall safe as well.

ARCHERY: Mark Doneburgh

Archery experience was held September 28th despite minimal turnout from the membership. Those in attendance enjoyed some one-on-one instruction and assistance from the expert staff on hand. I wish to thank members Bill Webster, Bob Dankiw, Tom Hotalling, Kevin Johnston, John Baker, and Dave Tyler as well as guest instructors Kevin Clamm and Ray Carpenter for their expert tutelage. We received two more recurve bows that were donated by Kevin Clamm. I want to thank Hal and Kurt for their assistance in setting up the capture nets on the bag and NASP ranges also.

Door prizes were awarded based on a drawing with the Grand Prize, Diamond Edge Pro compound bow being won by Nicole Stott, a guest. Other prizes included recurve bows, arrows, bag targets and archery accessories that were also awarded. Everyone indicated they enjoyed the outing. We now have 4 recurve (RH) bows and a new Diamond Edge compound bow (RH) for the club members in addition to the NASP compound bows and crossbows in the archery shed.

The bag and 3D targets will remain in place until Dec. 1st.

BB Gun

BB gun league registration will be held Nov. 26th at 6:30 pm and will be an informational meeting only. The first night of shooting will be Dec. 3rd. Any questions call the director at 315-317-1476.

CLAYS: Joel McCarthy

Skeet fields 2 & 3 should be operational with card readers.

The practice trap field is still on the pay-as-you-shoot program. You have to set up the wired system and place \$2 per round in the guest fee box in the club house.

The new trap house will be delivered Monday Oct 14th. We need to install the new machine and build a roof. Then we will install the remote system.

A tractor trailer load of clay targets will be ordered and delivered sometime in November.

Volunteers will be needed to move targets to the clay trailer.

For any questions please contact the Clays director at:

shotgun@camillussportsmensclub.com

BUILDINGS AND GROUNDS: Kurt Field

This week the Meeting/Training Room will be closed to all members, so we can paint the floor. We are now in the process of moving all the furniture and prepping the floor.

One of the carts is down for repairs, I think it might be a broken spring in the centrifugal clutch, if anyone has experience with this type of clutch (ie. Snowmobile) let me know.

The mowing has come to an end for this year and I would like to thank the 5

people that helped out.

Winter is coming and the snow plowing, blowing, shoveling and salting is harder work than mowing, we need more than a small, tiny teaspoon of members helping out. Please do your part.
