## **PISTOL: Kevin Johnston**

The back wall of the indoor range has partially come down. I am in the process of scheduling a work day to fix it and also fix one of the tracks. It will probably be Sunday September 29th from 8 to 12. I will be sending out a separate email confirming the date and time. I will need a minimum of 12 to 15 volunteers.

Please send inquiries to [pistol@camillusportsmensclub.com](mailto:pistol@camillusportsmensclub.com).

## **Treasurer: Maria Walsh**

Please remember all guests must be signed in at the clubhouse and \$2.00 per guest per visit must be deposited into the wall safe above the sign in binder. Additionally - if you are shooting trap and/or skeet and there is not a functioning card reader on your field you must deposit \$2.00 for each round shot into that clubhouse wall safe as well.

## **CLAYS: Joel McCarthy**

We have purchased prefab walls for the practice trap field. We tried to get volunteer members who are masons to help but no one came forward.

The wall will be delivered in three to four week and at that time we will be building the roof and installing the trap machines.

For any questions please contact the Clays director at:

## **BUILDINGS AND GROUNDS: Kurt Field**

It has been brought to my attention at the last meeting that some members do not understand that they are supposed to help out around the club, that it's a requirement of membership. No special invitation or email is required.

Some of the projects to be done at the club are:

Picking up trash Monday or Tuesday

Mowing (finish before 9am)

Water proofing flower boxes at gate and shelves on Rifle and Pistol

ranges

Painting meeting room floor (this is going to be soon)

Repairing and replacing shoot pipes on the Rifle range (this week)

Loading Skeet and Trap houses with clay birds

When Trap house is delivered, we need to build a movable roof

Picking up brass on Pistol range (in front of table in the dirt and

grass).
